With this letter M.a.c. Officina authorize PMA International (a subsidiary of A.T.N. International Corporation) to legally represent, sale, distribute and promote M.a.c. products/machinery on a worldwide basis.

The present authorization is valid starting from today for one year and is automatically renewable each year unless one of the two parties will notify the other by registered a airmail about the cancellation at least three months before the expiration date.

More details and agreements about this authorization will be added by fax from time to time and will be integral part of this authorization.
